(813) 559-4065, desk

Hillsborough County, Fla. – The health advisory that was issued for Picnic Island Beach has been lifted. Follow-up testing was satisfactory, based on the marine water bacterial indicator results.

The initial sampling was performed August 28, and follow-up sampling was performed on September 4.

Visit the Florida Department of Health's Beach Water Quality website at <http://www.floridahealth.gov/environmental-health/beach-water-quality/index.html>. To review the beach water sampling results for reporting counties, click on a county name.
